Facts at a Glance

SDSU | College of Engineering

PROGRAMS OFFERED

Bachelor's Degrees

Aerospace Engineering
Civil Engineering
Computer Engineering
Construction Engineering
Construction Management
Electrical Engineering
Environmental Engineering
Mechanical Engineering
Bioengineering Emphasis (ME)

Minor

Engineering

Hybrid Degree Completion Program

B.S. in Civil Engineering

Certificate Programs

Rehabilitation Technology
Artificial Intelligence and Robotics in Construction Advanced Certificate

Master of Science (M.S.) Degrees

Aerospace Engineering
Bioengineering
Civil Engineering
Computer Engineering
Electrical Engineering
Environmental Engineering
Mechanical Engineering

Master of Science (M.S.) Degrees – Online

Computer Engineering
Electrical Engineering

Master of Engineering Degree (M.Eng.)

An interdisciplinary degree with a blended curriculum of engineering and business courses.

Joint SDSU/UCSD Doctoral Degrees

Bioengineering
Electrical & Computer Engineering
Mechanical & Aerospace Engineering
Structural Engineering

MAJOR ACCOMPLISHMENTS & MILESTONES

- Our 4-year graduation rate more than tripled during the last 8 years.
- Our research dollars have more than tripled in the last 10 years.
- Since 2018, our faculty has grown by almost 50%.
- 1 in 3 of our junior faculty members are recipients of the prestigious Early Career Award from the National Science Foundation.
- Since 2018, the number of female faculty members has almost tripled.
- Our endowments tripled in the last 8 years.
- SDSU is ranked in the top 5% of universities by the Carnegie Classification of Institutions of Higher Education.
- Earning high marks for strong graduation rates and return on investment, SDSU was named a top value in *Money's* 2025 *Best Colleges in America* guide.

ENGINEERING RANKINGS

According to the 2025 edition of ASEE's Engineering & Engineering Technology By The Numbers:

- We ranked in the Top 20 institutions for Total Bachelor's Degrees awarded in Civil Engineering.
- We ranked in the Top 20 institutions for Total Bachelor's Degrees awarded in Aerospace Engineering.
- We ranked in the Top 25 institutions for Total Bachelor's Degrees awarded in Mechanical Engineering.
- We ranked in the Top 30 institutions for Total Bachelor's Degrees awarded in Computer Engineering.
- We ranked in the Top 40 institutions for Total Bachelor's Degrees awarded in Electrical Engineering.

INTERNATIONAL PROGRAMS

- Every semester, numerous engineering students participate in education abroad programs around the world.
- SDSU Global Seminars offer a variety of summer faculty-led options for engineering students, including destinations like Australia and Mexico.

ADMINISTRATION

Dr. Eugene Olevsky, Dean
Dr. Temesgen Garoma, Associate Dean, Graduate Studies & Research
Dr. Yusuf Ozturk, Associate Dean, Undergraduate Studies
Theresa Garcia, Assistant Dean for Student Affairs
Kate Carinder, Senior Director of Development
Natasha Celise, Director, MESA
Joshua Imes, Coordinator, Troops to Engineers

DEPARTMENTS

Dr. Luciano Demasi, Chair, Aerospace Engineering
Dr. Dongye Zhao, Chair, Civil, Construction, & Environmental Engineering
Dr. Arif Ege Engin, Chair, Electrical & Computer Engineering
Dr. Patrick Kwon, Chair, Mechanical Engineering
