MAJOR ACCOMPLISHMENTS & MILESTONES

- Our 4-year graduation rate more than tripled during the last 5 years
- We are 1 of 4 institutions in the U.S. to earn the Silver DEI level recognition, according to the American Society for Engineering Education (ASEE)
- Our research dollars have more than tripled in the last 10 years and 2024 is on track to be another record year
- Since 2018 our faculty has grown by almost 50%
- 1 in 3 of our junior faculty members are recipients of the prestigious Early Career Award from the National Science Foundation
- Since 2018 the number of female faculty members has almost tripled
- We more than doubled the College endowment in the last 5 years

ENGINEERING RANKINGS

According to the 2022 edition of ASEE's Engineering & Engineering Technology By The Numbers:

- We ranked in the Top 50 Institutions for Total Bachelor's Degrees awarded to Underrepresented Minorities, with 178 degrees awarded
- We ranked in the Top 50 Institutions for Percentage of Doctoral Degrees awarded to Underrepresented Minorities, (10%)
- We ranked in the Top 20 Highest Percentage of Doctoral Degrees to Women, (50%)
- We ranked in the Top 50 institutions for Total Bachelor's Degrees awarded in Civil Engineering (227), Mechanical Engineering (240), Electrical Engineering (106) and Computer Engineering (116)

INTERNATIONAL PROGRAMS

- During the current Spring 2024 semester, 379 SDSU students are participating in a global education program abroad
- SDSU Global Seminars offer a variety of summer and winter faculty-led options for SDSU students, including
 past engineering trips to Germany, Poland, and Panama
