ABOUT DESIGN DAY

The annual SDSU College of Engineering Design Day event takes place during the Spring semester, and will be held May 6, 2020. This is the largest College of Engineering event which showcases the exciting and innovative design projects that our undergraduate Engineering students create during the academic year. Each of our Senior design classes in Aerospace Engineering, Civil, Construction & Environmental Engineering, Electrical & Computer Engineering, and Mechanical Engineering participate with over 85 projects on interactive display each year.
