

SDSU'S WOMEN IN ENGINEERING PRESENTS:

WOMEN IN ENGINEERING (WE) CHATS

A monthly seminar with the SDSU's College of Engineering
female faculty and local female engineers

Enjoy your lunch break while participating in our monthly WE Chats
with female faculty and local engineers who'll share their academic &
career pathways, stories of perseverance and success in academia &
engineering, and participate in a Q&A session.

Dr. Thais Alves

TOPIC: "Be yourself. Everyone else is already taken."
