

SDSU WOMEN IN ENGINEERING PROGRAM & COLLEGE OF
ENGINEERING FEMINEER PROGRAM PRESENT:

STEM TALK DAY WITH NORTHROP GRUMMAN

FEBRUARY 26, 2021
2:00PM-3:15PM

Join our Spring STEM Talk series with Industry featuring Northrop Grumman engineers who'll discuss:

- its work culture
- its available employee resource groups
- its internship & full-time job opportunities
- their academic & career paths

Students will also have the opportunity to participate in a Q&A session with the Northrop Grumman engineers and submit their resume to Northrop Grumman's recruiters.

SAN DIEGO STATE UNIVERSITY
Women in Engineering

SPACE IS LIMITED. REGISTER ASAP OR BY FEB. 11!
