

SDSU WOMEN IN ENGINEERING PROGRAM & COLLEGE OF
ENGINEERING FEMINEER PROGRAM PRESENT:

STEM TALK DAY WITH

LIFEPROOF

Liviri

AUGUST 18, 2020
10:00-11:00AM

SDSU WE undergraduate and graduate students and Femineer® high school students are invited to join our 2nd Summer STEM Talk session to learn more about Otter Products and its engineering job opportunities, participate in a Q&A session with current Otter Products engineers, including some SDSU alumni, to learn what courses best helped them prepare for a job with Otter Products and examples of cool projects they've been able to work on at Otter Products.

SPACE IS LIMITED, SO REGISTER EARLY!
