

SDSU WOMEN IN ENGINEERING PROGRAM & COLLEGE OF  
ENGINEERING FEMINEER PROGRAM PRESENT:

# STEM TALK DAY WITH

**APRIL 16, 2021**  
**2:00PM-3:15PM**

Join our Spring STEM Talk series with Industry featuring NAVAIR engineers who'll discuss their:

- work culture
- internship & full-time job opportunities
- academic & career paths
- their success stories of how to leverage their academic courses & internships to land a full-time job after graduating

Students will also have the opportunity to participate in a Q&A session with the NAVAIR engineers and submit their resume to their recruiters.

SAN DIEGO STATE UNIVERSITY  
Women in Engineering

SPACE IS LIMITED. REGISTER ASAP OR BY MARCH 26!
