

SDSU WOMEN IN ENGINEERING PROGRAM & COLLEGE OF  
ENGINEERING FEMINEER PROGRAM PRESENT:

# STEM TALK DAY WITH

**MOTOROLA SOLUTIONS**

**OCTOBER 9, 2020  
2:00PM-3:30PM**

SDSU WE undergraduate and graduate students and Femineer® high school students are invited to join our Fall STEM Talk series with Industry featuring Motorola Solutions. The STEM Talk will spotlight a diverse panel of Women of the West members who will share their academic and career paths. Information about Motorola's internship & full-time job opportunities for science and engineering students will be provided. Students will also have the opportunity to participate in a Q&A session with the Motorola Solutions Team.

**SPACE IS LIMITED, SO REGISTER EARLY!
