

SDSU WOMEN IN ENGINEERING PROGRAM & COLLEGE OF  
ENGINEERING FEMINEER PROGRAM PRESENT:

# STEM TALK DAY WITH

A  Sempra Energy utility<sup>®</sup>

**NOVEMBER 13, 2020**

**2:00PM-3:15PM**

SDSU WE undergraduate and graduate students and Femineer<sup>®</sup> high school students are invited to join our Fall STEM Talk series with Industry featuring San Diego Gas & Electric. **Discussion on: SDG&E's internship & full-time job opportunities, SDG&E #BeThatGirl initiative, and SDG&E engineers' academic & career paths.** Students will also have the opportunity to participate in a Q&A session with the SD&GE Team.

**SPACE IS LIMITED, SO REGISTER EARLY!**
