

SDSU'S WOMEN IN ENGINEERING PRESENTS:

# WOMEN IN ENGINEERING (WE) CHATS

Enjoy your lunch break while participating in our WE Chat featuring a local engineer who'll share her academic & career pathways, stories of perseverance and success in academia & engineering, and participate in a Q&A session.

**Liz Fitzpatrick**  BUILDING LEADERS FOR A  
RESILIENT WORLD

**TOPIC: "Navigating & paving the way through a squiggly, sustainability-centric career path"**

**February 10, 2021 at 12pm-12:50pm**

**Registration required: <http://bit.ly/FEB2021WECHAT>**

For questions, please contact our WE Program Assistant Director, Bianca Aviña at [bavina2@sdsu.edu](mailto:bavina2@sdsu.edu)
