

The Ellen Ochoa SDSU Femineer® Program Alumna Scholarship Application

San Diego State University's College of Engineering Femineer® Program is offering a \$1,000 scholarship to Femineer® alumnae who will be attending SDSU as a Fall 2021 Engineering Freshman. Applicants must complete at least two Femineer® courses, submit their intent to enroll at SDSU by May 1, 2021, and will be attending the virtual Femineer® Summit on May 12, 2021. Please complete the following information and prompt questions (no more than 500 words total) and email to Michelle Bunn, SDSU Femineer® Program Director, at mbunn@sdsu.edu, no later than April 12, 2021.

Name (First & Last):

What is your email?

What high school do you attend?

Which Femineer® courses have you taken and when (e.g. Creative Robotics 2018)?

1. _____
2. _____
3. _____

What major did you select on your SDSU application?

What is your SDSU Red ID number?

Have you already been accepted into SDSU?

When did you submit your SDSU intent to enroll?

Which Femineer® Summit are you attending (Please check box)

<input type="checkbox"/>	Cal Poly Pomona & San Diego State University's virtual Femineer® Summit – May 12, 2021
<input type="checkbox"/>	Local District/School Femineer® Summit - Date: _____

Essay Prompt Questions (no more than 500 words total):

1. How has the Femineer® Program influenced you to pursue an engineering degree? If applicable, how did your Femineer® teacher influence this decision?

2. What goals do you hope to achieve in college and your career? How will this scholarship help you achieve these goals?
